STUDENT OWED DEVICES

For the 2017-2018 School year we would like all students to bring an electronic device (see attached). Students will have a balanced educational program including paper, pencil, physical activity and inquiry based learning, just to name a few. We have posted an explanatory video of the SAMR model on SchoolZone to enhance understanding.

PLEASE NOTE

You may want to have items marked with permanent ink before bringing the supplies to school. Students are responsible for their own supplies and will need to replenish them throughout the year. Combination Lock for lockers (These can be purchased from Mrs. Gunn in the Library for \$6.00).
