D.S. MACKENZIE SCHOOL

STUDENT SUPPLY LIST - GRADE SEVEN, EIGHT & NINE 2025-2026

Following is a list of supplies that grade 7, 8 and 9 students require for the 2025/2026 school year. All supplies listed are for personal use.

1	Electronic Device (Chromebook) <i>D.S. MacKenzie is a Student Owned Device School. For the 2024-2025 School year we request <u>ALL</u> students bring an electronic device. Chromebooks are the recommended district device, as they have a separate keyboard, are compatible with G-Suite, have great battery power, and a long shelf life. Students will have a balanced educational program including paper, pencil, physical activity and inquiry based learning, just to name a few. To offset the parental cost of a device, DSM is unique in that we will not charge fees for option courses at the GRADE 7 LEVEL ONLY. If you have any questions, please call the office to discuss.</i>
